

The story behind the logo.

Lois Llewelyn, Llewes explains how the logo was developed.

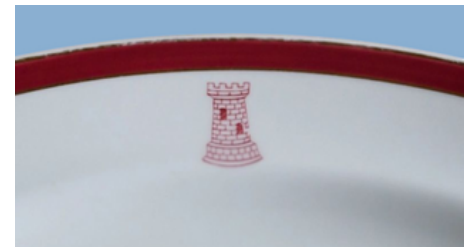

A few individuals have gone out of their way to support Menter y Tŵr, giving precious time and resources voluntarily. This is the story behind the logo design. We are extremely grateful to Lois, owner of Pwllheli based design company Llewes who has given her time and expertise to create an attractive and professional design package. There is even a template for menus and aprons!

"It was an honor to be asked to design Y Tŵr logo" said Lois. I have lived in Pwllheli all my life, and I knew immediately that the small tower that stands above the entrance had to be included. It is such an important part of the building! We chose the colours navy blue and gold to represent the sea and sand, reflecting Pwllheli's coastal heritage.

A few months later, during one of the open days, we found crockery with the old logo on them. Unbeknown to me, it was very similar to my design – a lovely link with the past that made the project even more special for me."

The tower above the entrance.

Pwllheli Business Forum

Pwllheli Business Forum is a group to support and promote business growth in the town and the area. It encourages networking between businesses, organisations such as Menter y Tŵr, the town council and Cyngor Gwynedd Council. A meeting was held at Venu Pwllheli on Thursday 13 March to develop the "Creu Lleuedd" and "Ardal Ni" plans by Gwynedd Council Ffiona Adams, deputy Mayor and one of the forum's founders said, "Having a development plan in

place will enable us to complete financial applications for the benefit of the town. Despite all the challenges facing businesses and organizations in Pwllheli as in every other town, there are opportunities available and we want to ensure that Pwllheli is able to apply. It was a pleasure to be with active and positive individuals who share our aspirations for the town and want to see Pwllheli thrive for the benefit of its people."

Raffle Y Tŵr on tour!

Building work update

After two months of demolition, building and repair work has started since the end of February. The chimneys have been repointed and brickwork cleaned and repointed.

The pots from the old chimney stacks in the back were reused for the chimneys on the main roof. The renovation of the dormer windows at the front of the building has now been completed.

The slates have arrived and the top layer of scaffolding has now been removed ready for the task of removing the old slates and re-roofing. Having the roof repaired is a relief after having years of rainwater damaging the building.

This work is funded through the Welsh Government's Town Transformation fund. We are extremely grateful for the financial support that Menter y Tŵr has received.

The repointing of the chimneys has been completed

Renovated dormer windows

The chimneys have been capped.

Dormer windows at the front of the building and also the finished chimneys.

Fancy winning a Y Tŵr mug and coaster?

Send us your memories of "Y Tŵr" over the years and any photos of events at Y Tŵr for a chance to win a mug and drink mat and have your story and photo on the website! Please e mail: ytwrpwllheli@gmail.com

Y Tŵr raffle on tour!

Thanks to Caffi Largo and Karalyns hair salon for holding a joint raffle over the winter. The raffle has now been drawn. Thanks to everyone who contributed and bought a ticket. A big thank you to Karen Rees Roberts for organizing the raffle and for her hard work and support for the town. We are eager to arrange a spring raffle, and are looking for donations, and a busy location to sell the raffle tickets for a few weeks. As a sign of thanks for your support looking after the raffle, we will include a photo to promote your business in the Menter Y Tŵr newsletter. Contact us to show your interest by emailing: ytwrpwllheli@gmail.com

Volunteering and Fundraising

Although the building is closed to the public for the time being, there are plenty of opportunities to volunteer with Menter y Tŵr. With the high costs involved with the project, we appeal to anyone who can organise and host an event that interests you. A gig or concert, a bonus ball, a dinner, a challenge, an evening of entertainment or an unusual event, would be fantastic financial and support for Y Tŵr and would boost the town's social calendar. Increased community activity is one of the aims of Menter y Tŵr. We will gladly help you promote the event. Please contact to further discuss your ideas by emailing: ytwrpwllheli@gmail.com.
